## Aluminum Baseboard Replacement Cover

Presenting the quick and easy makeover  
for your aging baseboard covers!

Slant/Fin's Revital/Line®, pre-cut replacement baseboard cover, is so easy to use! Simply measure your current baseboard and you're ready to begin. This product is designed to slip over the existing back panel. All you do is remove the old accessories, front panel and damper, and you're ready to slip on the new cover. Visit [www.slantfinbaseboard.com](http://www.slantfinbaseboard.com) to learn more and see a quick installation video.

The unique, modern design will provide durability and has been tested to allow for up to 40% more heat output than the competitive brands currently on the market. It's amazing how simple it is to transform the look of any room. And, best of all, anyone can do it! Slant/Fin takes the guesswork out of it...and puts our unsurpassed quality into every Revital/Line® makeover.
